Warehouse Employee (m/f/d) in Plant and Fixture Construction full-time

EPflex is one of the world's most important manufacturers of metallic components for minimally invasive medicine. With numerous patents and innovations, we are among the pioneers in our industry. With around 400 employees, we push the boundaries of minimally invasive surgery every day. For patients, this means shorter procedures, less pain and faster recovery.

YOUR TASKS

- Receipt, storage, issue and internal transport of goods
- Incoming goods inspections (raw material warehouse and Kardex warehouse)
- Picking activities and inventory of goods
- Administration of orders (with intermediate storage and closing)
- Maintenance and organization of training courses in the CAPS training software for the plant construction area

YOUR PROFILE

- Ideally vocational training in the field of warehouse logistics and/or experience in comparable work
- Technical understanding (ideally experience in the field of metal technology)
- PC knowledge is an advantage
- Independent and structured work
- Physical resilience
